

PraXis`23

Event Name : Mr.Mechanic (Technical event)

Event Lead Name : Thanushkumar S

Event Coordinators Names: Shyam Raj T

No of Rounds : 1

Objective of the event:

Mr.Mechanic Contest is to exhibit students skills through the practical approach in handling the lathe machine and doing the needful things for the given question.

Type of event : Team event

No of members per team: Maximum 2 per team.

About the event :

- Participants will be given a component drawing with dimensions, a workpiece and required machine tools and accessories.
- The participants will have to machine the workpiece according to the drawing, to the maximum precision within the stipulated time given.
- Participants will be assessed based on how perfect the operations have been performed, how precise the final component is to the given drawing, and the time taken to complete the task.

Instructions and rules to participants:

- Participants are requested to reach the Workshop on time sharply.
- Wearing of college ID card is compulsory. Any participants without ID card will not be permitted to attend the event.
- Participants are requested to wear shoes compulsorily, for safety precautions.
- Each team should do the assigned task in given time. No extra time will be provided.
- General workshop and laboratory rules should be strictly followed.
- Any malpractice or attempt to commit any kind of malpractice will result in the disqualification of the team.
- No discussion with other teams is allowed.
- Top teams will be awarded prizes.
- Panel member's decision is final. Further appeals shall not be entertained.
